

Bopp Jumbo Roll

Technical Data

Product Description

Bopp Jumbo Roll is using BOPP film as backing and coated with water-based acrylic adhesive. Mainly used for carton sealing, wrapping, light-duty packaging, bundling, holding, household and stationery purpose. The tape are Stick quickly easily, easy remove, hand-tearable.

- BOPP Packaging Tape Jumbo Rollo cated with water based glue, can be slited into different size smaller tape, as like the packing tape or stationery tape.
- Surface Material: BOPP
- Adhesive: Acrylic
- Core: Diameter 3"(76mm)

Product Construction

Backing:	BOPP
Adhesive:	Water based acrylic adhesive
Color:	Transparent
Waterproof:	Waterproof
Application:	Carton Sealing

Typical Physical Properties

Self Life	More than 36 months
Initial Grab #ball:	12--18
Holding Force (H)	10--24
Peeling Strength With 180#730:	4.5-7N/2.5cm
Adhesive to Self	<90 gms/cm
Tensile Strength(Mpa)	>120
Elongation:	<170%

Features

- Excellent adhesion and shear properties.
- Resistance to cold, heat and aging.
- UV stabilised - won't lift off cartons.
- High mechanical strength and good impact resistance.
- Ideal for use in dispensers.

Application Ideas

- Shipping, packaging, bundling, wrapping.
- Ideal for sealing of cartons, merchandise, pallets
- Excellent performer for both hand and machine application.

Storage

Store in a clean dry place. Temperature of 25°C +/-2°C and 55% +/-5% relative humidity is recommended.

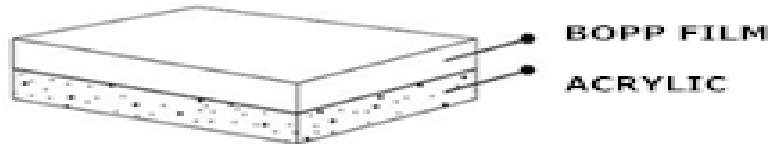

Shelf Life

To obtain best performance, use this product within 24 months from date of manufacture.

Specifications

Width:	1.25m-1.6m
Length:	4000m, 6000m
Thickness:	35mic-90mic

Product Construction

Images

The 'Images' section contains two photographs of BOPP film rolls. The left photograph shows six rolls of film standing upright, displaying a variety of colors including white, light beige, and tan. The right photograph shows a larger stack of rolls, primarily in clear and light beige colors, arranged in a row. Above the photographs, there are four certification logos: ISO 9001 (Quality Assurance), UL (Underwriters Laboratories), BSCI (Business Social Compliance Initiative) with SGS (Société Générale de Surveillance) below it, and REACH (Restriction of Hazardous Substances).
