

## Crystal Clear Tape

### Technical Data

#### Product Description

- Crystal Clear Tapes use acrylic solvent based adhesives which are compatible with aqueous crystallization reagents.
- Crystal Clear tape looks like glass or crystal. It goes on completely clear so you can box up your belongings while keeping your storage space at home or the office looking nice.
- It has the advantages of high resistant and tensile strength, light, high adhesion and printable
- Could be made for different color and printed logo. Crystal Clear Tape will not yellow with age nor discolor packages or objects after being applied.
- No objectiona odor and nontoxic tasteless, environment protection. Excellent holding capacity, waterproof and heat resistant

#### Product Construction

Backing: BOPP Film  
Adhesive: Acrylic  
Color: Crystal Clear  
Liner: BOPP Film with  
silicone release

#### Typical Physical Properties

180° peel adhesion:  $\geq 450\text{g/in}$   
Holding power:  $\geq 5\text{min}$   
Tenslie Strength:  $\geq 13\text{kg/mm}^2$   
Elongation: 100%  
Initial Tack:  $< 80\text{mm}$   
Tenslie Strength(Mpa):  $\geq 50$   
Total Thickness Allowance:  $\pm 1\text{mic}$

#### Features

- High tensile strength, Strong anti-pull force and adhesive
- Strong adhesion, Durable stickness
- Non-toxic, tasteless, environmental-friendly
- Widely used in binding things, patching up broken files and pieces

- Light weight, high resistance, Non-stretchable and economic

### Application Ideas

- Medium & Heavy Carton Sealing.
- Gift Wrapping & Decoration.
- Bundling & Strapping .
- Packaging carton boxes with automatic sealing machine
- Strapping, wrapping, shipping, packaging, carton sealing, box sealing, bag sealing, steading, bunding, decoration etc.

### Storage

Store in a clean dry place. Temperature of 25°C +/-2°C and 55% +/-5% relative humidity is recommended.

### Shelf Life

To obtain best performance, use this product within 24 months from date of manufacture.

### Specifications

Thickness: 36mic--65mic  
Length: 35m--1500m  
Width: 12mm--200mm

### Product Construction

2. Acrylic

1. BOPP FILM
